

MOTION BY SUPERVISOR YVONNE B. BURKE

January 9, 2007

On December 12, 2006, the Board approved my motion instructing the Director of Public Health, in consultation with County Counsel, to investigate the issues of trans-fat regulation and calorie labeling and report back to the Board with findings and recommendations within 45 days.

Public Health and County Counsel staff are gathering information and developing recommendations for this report.

I think it is important that Public Health solicit and receive input from various persons and groups in both the development and implementation of these recommendations.

**I, THEREFORE, MOVE THAT THE BOARD OF SUPERVISORS:**

- 1) Instruct the Director of Public Health, in completing the report due January 26, 2007, to include in that report, the formation of a taskforce to include, but not limited to, industry representatives from restaurants, fast food establishments, community health organizations and the Nutrition and Physical Activity Task Force; and
- 2) Report back to this Board with all findings and recommendations as a set item on the Board's agenda for January 30, 2007.
